The Jean Monnet Center of Excellence AI-2-TRACE-CRIME at the NUP, with the support and funding of the European Union, welcomes contributions by young and senior scholars for the online publication series "NUP Jean Monnet Working Papers"

We accept manuscripts on topics related to economic crime, money laundering, the financing of terrorism, corruption, asset recovery, asset freezes and confiscation, financial investigations, judicial cooperation in criminal matters, as well as AI, AI regulation and supervision, AI transparency and explainability, AI responsible use, etc. with emphasis on the EU law dimension of the topic examined.

- Papers are submitted in English;
- Submitted papers should contain 5'000-8'000 words (footnotes included).
- Submitted papers are reviewed on a rolling basis by a scientific committee composed of university professors, which makes a decision within 2 to 3 weeks after the manuscript's submission.
- Accepted papers are edited and formatted by the team of the Jean Monnet Chair and they are published on the Chair's website under the section "NUP Jean Monnet Working Papers".

If you are interested in submitting a manuscript for the series of NUP Jean Monnet Working Papers, please contact the Principal Investigator of the Jean Monnet Center of Excellence AI-2-TRACE-CRIME, Dr. George Pavlidis, at the following email address:
